

DOMINATOR®

OPEN YOUR GARAGE DOOR FROM ANYWHERE

With the Dominator Smart Phone Control Kit, you can now control your garage door from your smart phone while you're at home or out and about!*

This is the next generation of garage door control delivering:

- **Secure home access** – monitor your garage door 24/7* and receive notifications when a door is operated
- **Smart control of your garage door** – more than just a remote control
- **Simple operation** – via our easy to use app

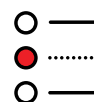

REAL TIME ALERTS

Our smart app can alert you whenever your garage door is operated, opened for an extended period of time or when your opener is in need of a service.

CUSTOMISATION

The app can be customised to suit your lifestyle. From partial opening modes to restricting door access times, your convenience and security is paramount.
